- ★ EOC's Director, Kim Jackson, was the VBS missionary at Cherry Avenue Christian Church in Charlottesville, VA, where the children, teachers, and members gave \$3000 to Elder Orphan Care!

Heroes of Faith!

In the winter of 2006, Viorel and Florica Pasca were watching the news in Dumbrava, Romania, and saw a report about two homeless elderly who had frozen to death on the streets of Oradea. Instead of turning off the TV and saying “Someone should do something about that,” they said, “It is wrong for us to have an empty room when people are dying on the streets,” and they drove to Oradea, found more homeless elderly, and invited them home!

Over the past 10 years their family has cared for hundreds of elderly and frail. Many have accepted Jesus while living out their last days on earth! We praise God for the Pasca family and we are grateful that God has brought us alongside them to serve together!

PRAYING TOWARDS GOD’S FUTURE FOR EOC

We currently serve at-risk elderly exclusively in Romania, but we are strongly sensing that God will send us to other countries as He leads and provides

Alarming statistics concerning the world’s rapidly aging population, combined with God’s command to care for the old among us, make us believe that He is positioning Elder Orphan Care for growth!

Please pray with us as we listen to God’s voice and follow where He leads!
