

ELDER ORPHAN CARE

Keeping Warm in Winter

Thanks to generous donors, sufficient firewood has been purchased for heating 10 care homes in Romania.

For most of us, a simple tap of a thermostat button ensures the warmth of our homes, but firewood, and lots of it, is needed to heat the care homes where 220 elderly and frail live. We are grateful to all who donated generously to make our Firewood Fundraiser successful!

220

The number of elderly and frail being cared for by our ministry partner in Romania, Viorel Pasca

1000

The number of elderly and frail Viorel Pasca and his friends have cared for since 2006.

2020

The year that people over 65 years of age will outnumber children for the first time in the world's history.

Pray for funding to renovate a building that would be home for 30 more elderly, like Anna.

Pray for those affected by frostbite: many who were homeless need amputations.

Pray for a staff person to be hired to help with activities that would offer purpose for our elderly friends.

Grateful!

We are praising God and thanking our supporters for a strong finish to 2016.

- * Our December team filled and delivered 350 handsewn Christmas Stockings of Joy made possible by your generosity.
- * Because we took your financial donations to Romania and shopped there, we were also able to purchase special gifts such as books, calendars for each room, and groceries for a Christmas meal.
- * We also gave women's scarves, handmade winter wear items, jewelry for caregivers, photo albums, yarn, games, and other items donated by churches and individuals.
- * We were able to give \$2500 to help fund a much needed kitchen expansion.
- * We are currently preparing a shipment of items requested by Nurse Crini which will include sturdy, pop-top water bottles, pill organizers and stretch-top pants.

“Elder Orphan Cares shares God’s love in a wide variety of ways with at-risk elderly in Romania.”

- * We hope to send teams to Romania in June in December of 2017. Contact us if you would like more information.
- * We are grateful to the churches who invited us to share about EOC in 2016. Please contact us if your church, club or organization would like to hear more about partnering with us in the future!

YOUR SUPPORT, PRAYERS & DONATIONS FUEL EOC'S OUTREACH

God birthed Elder Orphan Care in 2011 and we enjoyed serving in Romania with Remember the Children for nearly 5 years. In January of 2016 it was time to launch as a separate non-profit ministry to ensure sustainability and accomodate growth.

Thank you for helping make our first year a glory to God and a great help to hundreds of at-risk elderly!

Your financial gifts are tax-deductible. You can give online at www.elderorphancare.com or send checks to 349-L Copperfield Blvd., Box 211, Concord, NC 28025. Contact us at elderorphancare@gmail.com
